Colleagues - We appreciate the review and feedback from you and your staff of EPA's evaluation of Maryland's 2014-2015 milestone progress and 2016-2017 milestone commitments. We incorporated many of your comments into our final evaluation. EPA will be posting the attached document and factsheet on EPA's Bay TMDL website tomorrow. Attached are advance copies of the final documents. Please note that this is embargoed until tomorrow at 10:30 am.

We recognize the work that Maryland is doing to protect and restore local resources, as well as the Chesapeake Bay, and we are committed to work with you to keep restoration efforts on track.

Thanks - Shawn
